Fiordland has a very wide range of accommodation. Lodge, hotel, motel and boutique properties provide a restful break in comfort and style, while home and farm stays provide a genuine New Zealand experience.

Te Anau offers over 4,000 beds to weary travellers. There are hotels, motels and lodges, holiday parks, self-contained houses & cottages and backpacker options to ensure everyone can find accommodation to suit every budget.

Manapouri township offers a growing range of accommodation including B&B, backpackers, holiday park and camping ground accommodation. Many provide uninterrupted views of the lake and mountains for visitors to admire the lake's changing moods.

While accommodation in Milford is limited there are great options with overnight boats, Milford Sound Lodge has stunning riverside chalets, 2 bedroom suites and rainforest caravan parks. Be sure to book well in advance to take advantage of either of these options.

Along the Milford Road you can stop at Te Anau Downs or Knobs Flat for various accommodation styles or try to find a spot in one of the DOC campsites.

Wherever you choose to stay in Fiordland it can get very busy during the summer (especially around February) so we encourage you to book in advance.
